

**Brainstorm some words that describe how you want to express yourself:**

| 1) _____ | 5) _____ |
| 2) _____ | 6) _____ |
| 3) _____ | 7) _____ |
| 4) _____ | 8) _____ |

**Think about what shapes, lines, patterns you can use to express visually what you've written above. Use these to sketch 6 possible design ideas. These sketches will become an embroidery design but for now we're just brainstorming!**

**Decide what your final design will be and sketch it here. Remember you will be embroidering this so don't make it too complicated!**
